Civic Club Bylaws Change Notification
Lori Kennedy

Each year Garden Oaks participates in National Night Out (NNO) on the first Tuesday of August. Because Garden Oaks has participated in NNO so regularly and the Civic Club promotes participation in the event, an exception was made years ago in the bylaws to allow NNO in lieu of the regular Civic Club meeting.

This year Houston is observing the annual neighborhood crime prevention and awareness night in October. In order to participate in this October’s event (and any future ones), the Civic Club needs to make a change in the bylaws.

The current bylaws state: “3.01 Regular Meetings. Regular meetings will be held monthly on the first Tuesday of each calendar month, except for August for the transaction of such business as may come before the meeting, unless suspended or changed by a vote of the majority of the Members at a regular meeting. If the day fixed for the regular meeting will be on a legal holiday in the State of Texas, such meeting will be held on the next succeeding business day.”

It is proposed for the bylaws will be changed to read as follows:

“3.01 Regular Meetings. Regular meetings will be held monthly on the first Tuesday of each calendar month, except when there is a conflict with the meeting date and the date of the National Night Out (or such other neighborhood crime prevention/awareness event as supported by local law enforcement) for the transaction of such business as may come before the meeting, unless suspended or changed by a vote of the majority of the Members at a regular meeting. If the day fixed for the regular meeting will be on a legal holiday in the State of Texas, such meeting will be held on the next succeeding business day.”

The bylaws change is being announced in this Gazette and will also be announced at the July meeting. To comply with the 30 days’ notice required to change the bylaws, the vote on the bylaws change will take place at the September 2, 2008 Civic Club meeting.

**It’s All About the “Green”**

**Dian Austin**

Garden Oaks has had a great response to the curbside recycling program. The next curbside recycling dates are July 8 and July 22. If anyone needs another (or their first) free green recycling bin, call 3-1-1 or order online at http://www.houstontx.gov

I have extra green recycling bins and will be happy to drop one off to anyone who contacts me (with their name and address) at FallingwaterT@yahoo.com or 713-691-6505. Last month’s Gazette listed my email address incorrectly, so if you emailed me and didn’t get a response, your message is out in cyberspace.

If you need paper/cardboard recycling more often than every two weeks, several green/gold-colored recycling dumpsters are located near the neighborhood. Remember to flatten out cardboard so it doesn’t take up too much room.

Locations for paper recycling include:
1) Parking lot of Garden Oaks Baptist Church on N. Shepherd
2) Parking lot of St. Rose of Lima Catholic Church, corner of Brinkman and Wakefield
3) Front of the Home School Store at 1355 Judiway, between Oak Forest Dr. and Ella
4) Parking lot of the YMCA on W. 34th St.

**Glass Recycling**
The city does not pick up glass; however, there is a glass-recycling repository near Garden Oaks located on Guesse Street, just off Judiway, west of Ella Blvd. Four large dumpsters accept clear, green and brown-colored glass 24-hours a day. Glass is sorted by colors.

**July Civic Club Speakers Cover 3-1-1 and Recycling**

At the July 1st civic club meeting, representatives from the City’s 3-1-1 Division and Solid Waste Division (recycling) will be speaking. This will be a good time to get your 3-1-1 or recycling questions answered.

**Planet Green**

For people interested in finding out more about eco-friendly living, Planet Green, a great new 24-hour eco-lifestyle TV network started airing in early June on Channel 328 for Comcast, Channel 286 via DirecTV and Channel 194 on the Dish Network.

**Gazette Block Captain of the Month Announced**

**Dian Austin**

The monthly Gazettes are delivered to your door by a host of volunteers. There are about 42 individuals, couples, and/or families that deliver the Gazette to 1400+ homes each month. Some have delivered for over 20 years; others are fairly new. Some deliver only on their block; others deliver to homes far from where they live. Some deliver multiple blocks; others deliver a single block. Whatever the case, the Civic Club appreciates their help and continued dedication. Starting with this month, a Gazette Block Captain of the Month will be named.

July 2008 block captains are Amy and Bill Shaughnessy, who live with their 3-year-old daughter, Claire, in the 900 block of Gardenia; that is also the block to which they deliver Gazettes. Amy and Bill have been living in Garden Oaks since 1994. They are civic club members, active in GoKids and also volunteer during the home tour.

Bill comes highly recommended by neighbors: “If you want to make sure you get the Gazette on time every time, move to the 900 block of Gardenia. You will not be sorry. He also smokes a mean brisket. Go Bill!”

Amy and Bill win a $25 gift certificate to Tony’s Mexican Restaurant on Ella Blvd. Thanks, Amy and Bill, for your help!

If anyone else wants to join the Great Gazette Delivery Team or if you’d like to nominate your block captain for the monthly prize, call Dian Austin at 713-691-6505 or email her at fallingwatert@yahoo.com (And if you never, ever get your Gazette on time, let me know too!)
Constable Program Needs Additional Funds
Terry Jeanes & Susan Love-Saranie

Crimes statistics are down as reported at last month’s Civic Club meeting thanks to the proactive patrolling of our three deputies who provide security coverage 120 hours per week. This is great news but the Constable program needs your monetary help to underwrite the morning deputy or else we’ll lose this security coverage by September.

If you’ve not supported the Constable program, now is your chance. Fill out the contribution form found in this Gazette or download the form at [http://www.gardenoaks.org/Resources/ContributorForm.pdf](http://www.gardenoaks.org/Resources/ContributorForm.pdf)

The yearly fee is $180 per household. This can be paid in one lump sum or be paid monthly through a bank draft of $15 per month. If you have any questions, contact Terry Jeanes at 713-812-9154 or at terry@terryjeanes.com

Benefits of the Constable program.

July is here and it is hot. So watch out for those pets on the hot cement and give them lots of cool water. An outside fan will help cool your dog and also keep the mosquitoes away. It is too hot for a pet to be left in the car for even a minute. If you jog with your dog, do so early morning or late evening and take water along. If it is over 85 degrees dogs cannot cool themselves fast enough to be running.

Pet of the Month
"Messrs. July" are Teddy (Poodle) and Nacho (Dachshund) Briones. They live in Section I with their mother, Sheila. Teddy is five-years old and was bought from a vagrant passing through the neighborhood. Nacho is one-year old and came to Sheila as a puppy from her relatives in Virginia. Teddy is easy-going and likes to be held and snuggled. Nacho, on the other hand, is all play. He loves to be in the backyard barking at squirrels and he also likes his squeaky toys. His favorite is the stuffed frog given by owners of Lexi, the Wonder Dog. Since Nacho came along Teddy has taken on the role of big brother and the pair play very well together. They play chase and run in circles around the barbeque pit. Teddy has learned that he can stop circling and rest for a while before Nacho even notices he is circling by himself. Most of you know Sheila Briones as she has participated, organized, or led many functions in the neighborhood. Well, behind every good woman is a great pair of canines!

Critters 101: The Human-Dog Connection
About 12,000 years ago hunter-gatherers (in what is now Israel) placed a body in a grave with its hand cradling a puppy. Whether it was a dog or wolf cannot be known. The burial is among the earliest fossil evidence of the dog’s domestication. Scientists know the process was underway about 14,000 years ago but don’t agree as to why. Some argue that humans adopted wolf pups and that natural selection favored those less aggressive and better at begging for food. Others say dogs domesticated themselves by adapting to a new niche—human refuse dumps. Scavenging canids that were less likely to flee from people survived in this niche, and succeeding generations became increasingly tame. According to biologist Raymond Coppinger, “All that was selected for was that one trait—the ability to eat in proximity to people.” At the molecular level not much changed at all. The DNA makeup of wolves and dogs is almost identical. A poodle or dachshund is as closely related to a wolf as to each other.

The dog evolved in the company of humans and cannot exist without them. Even the dogs living wild depend on proximity to humans. The human-dog relationship has become so intimate that biologist James Serpell writes, “The domestic dog exists precariously in the no-man’s-land between the human and nonhuman … neither person nor beast.”

Have you ever felt totally in tune with your dog? Well, scientifically speaking, you are.

Thanks to all who attended the June Garden Club meeting. We learned about koi, koi ponds and water gardens without koi. Following are a few tips we want to pass along.

Koi Fish and Ponds
Ponds have to be deep, 4 feet or more, so that the fish have room to swim and exercise by diving to the bottom and back up. The sides of the pond should not slope to ensure that certain koi-loving critters cannot reach the fish. Do not have water plants in a koi pond as the fish will usually eat the plants. Koi fish food is available at most pet stores. Most people make mistakes when first trying to raise koi. Therefore, buy inexpensive koi, $25 or less per fish. Then, when the inevitable happens, you will not have lost a large investment. For additional information about koi and water gardens, visit the Lone Star Koi Club website at www.lonestarkoi.com

Annual Plant Swap
Our next meeting will be at 7:00 p.m. Thursday, September 11, at the Gazebo Park where Sue Barnett, 42nd and Lamonte intersect. This will be our Annual Plant Swap where everyone gets a chance to trade extras from your garden for goodies that others want to share. If you don’t have any plants to swap, we will have more than enough to share.

Bring anything that you think another gardener might want such as mature plants, divisions, or seedlings of perennials, annuals, vegetables or herbs; rooted and un-rooted cuttings, bulbs, shrubs and trees, seeds, and houseplants. Don’t overlook any garden tools, pots, or books that you no longer want. Label your plants clearly with the common name, color of bloom, and light requirements. Bring an extra box or flat for taking home your new treasures and please, don’t bring anything to sell.

You will be asked to sort your goodies according to category (flowers for shade, flowers for sun, shrubs and trees, vegetables and herbs, houseplants, etc.). After a brief description of what is available, the swap will begin. During each round, everyone helps themselves to one plant each until everything is gone. This is an informal way to exchange information, seeds, and stories. It’s a great way to come across old-fashioned plants we can’t find in catalogues or plant stores. Everyone is invited to come for a free plant and enjoy the evening. We will have a drawing for a door prize for guests.

Garden Club meetings are open to all residents and friends of Garden Oaks. You do not have to be a member to attend an event or meetings. Annual dues are $25.00. For more information, call Chris Lindsay at 713-819-8412. The Garden Club usually meets the second Thursday of each month at 7:00 p.m. in the community meeting room at the Kroger store on W. 43rd Street. The Garden Club will NOT be meeting the months of July and August.
The biennial Home & Garden Tour is the Garden Oaks Civic Club’s largest fundraiser, and the 2008 tour raised $18,000 to support neighborhood projects.

The 2008 Tour, “Beyond the Garden Gate,” was held Sunday, April 20. A sunny day brought over 450 neighbors and visitors to tour six unique homes and four stunning gardens.

Hosting part of the Tour at your home or in your backyard is a substantial commitment of time and energy. We are thankful for the following home and garden owners who made this year’s Tour so appealing: Tammy Ayers, Tami Earl and Renee Shaver, Georgia Lister and Hal Bowman, Kristy and Kevin Murphy, Bill and Kris Flanagan, James Flowers and Michael Beard, Xavier Pena, and David Suhler. Thank you also to their neighbors for their patience on the day of the event. The staff, students and volunteers at Garden Oaks Elementary also deserve a special mention for showcasing their inspired garden.

While the Tour was only open to the public on Sunday, Saturday night’s Preview Party raised 26% of the weekend’s total proceeds. After a ‘sneak peak’ of the homes and gardens, over 180 guests attended the Preview Party and auction downtown at Treebeards Restaurant. Your friends and neighbors ate, drank, and then danced to the music of the Eric Korb Trio, featuring Garden Oaks resident Georgia Lister. Holly Veech did an extraordinary job of planning this event. If you missed it this year, don’t make the same mistake next time!

This year’s Preview Party auction, chaired by Deanna Zugheri, replaced our live auction with a “Big Board” bidding system. This lively way of bidding led to some tense bidding wars at the end of the night!

All proceeds from the Home & Garden Tour directly benefit Garden Oaks and the surrounding community, including Garden Oaks Elementary, the Garden Oaks Citizens on Patrol program, the Gazette and neighborhood beautification. The Tour’s supporters and underwriters made a significant impact on the amount of money we were able to raise for the neighborhood. When you have a choice, please give your business to the fine companies and individuals listed on the yellow insert in this issue of the Gazette.

See you on the Tour trail in 2010!
March and April were busy months making sure our green spaces were spruced up in time for this year’s Home and Garden Tour held Sunday, April 20th.

The Gazebo Park, located in Section 3, was cleaned March 29th: Thanks are extended to Bill Holden, Scott Easterly, Dian Austin, Ray Trantham, Ed & Brenda de Alba and Shelley Rogers for weeding, raking, and planting annuals. The blue Louisiana irises planted on the east side of the park were absolutely gorgeous this year!

Workday for the Garden Oaks Boulevard in Section 2 was April 5th: Luxury Lawns performed quarterly maintenance on the Boulevard prior to the workday April 5th. David Bartula, Luxury Lawns owner, donated a trailer full of hardwood mulch, along with the labor cost of spreading the mulch. Pine straw mulch was put on top of the hardwood mulch to conserve additional moisture by the following

Special thanks go to Aimee & Tyler Flood, Section 1A for their donation to help maintain the Randall Street Berm and to Christine & Brian Ussher, Section 2 for their donation to maintain Garden Oaks Boulevard. If you don’t have the free time or desire to participate in one of the workdays but enjoy the benefit of living near one, follow the Floods & the Usshers example by sending a donation to the Civic Club’s Beautification budget.

Beautification efforts are on temporary hiatus until things cool down other than maintaining the sprinkler systems until October.

The news continues to be good on the local crime front. According to the HPD web site there has been a drop in reported crime of almost 50% this year through April. I hope this trend continues, however, with rising prices of gasoline and other essentials, some folks might resort to illegal activity to make ends meet. Be extra vigilant and report any suspicious activities or persons to the proper authorities.

The date for National Night Out has changed for Texas.
This year National Night Out will be held Tuesday, October 7, 2008.
